

MECHANICAL REPAIR COVERAGE

As your vehicle gets older and miles add up, will you be able to afford the repairs you need to keep your car on the road?

MRC can help limit the cost of repairs.

You depend on your car. But big unexpected repairs can happen after your factory warranty expires. Mechanical Repair Coverage (MRC) can help you limit the cost of any covered breakdowns. You pay only the applicable deductible, if any. MRC can help lighten the financial burden for you and the people you care about. Get MRC today so you can worry a little less about tomorrow.
