

Welcome to Altana!

We're excited that the Bear Paw members will officially join the Altana family.

I think you'll find we have more in common than you realize. Much like Bear Paw Credit Union, we started with a single location by hard working Montanans who just wanted a better banking alternative for their family and friends. We've grown over the years, but our mission has always remained the same – to build trusted relationships with our members and partner with them to build strong financial futures.

So, whether you're just starting out, raising a family or planning for retirement, our goal is to help you meet your needs and surpass your expectations. We pride ourselves on focusing not only on offering innovative products and services, but also providing personalized services centered on your needs. We will always do what is best for you.

We are pleased to have you as a member and invite you to discover all the benefits Altana has to offer.

Sincerely,
