Skip A Pay Request

Yes! I would like to skip my (insert month you would like to skip) loan payment.

I understand that by skipping my payment, it will extend the maturity date on my loan, and I agree to repay the loan according to the terms and conditions of my loan agreement. If the loan is payroll deduction, payments already posted will not be reversed. I also understand that the interest will continue to accrue at the contract rate including the month I have chosen to skip and there is a \$35 skip fee per loan. If GAP insurance was purchased on the loan, a payment deferral could affect your policy. We would appreciate receiving your application at least 10 days before your payment is due. All borrowers must sign this authorization form.

Qualifications:

- All credit union services must be in good standing (loans, savings, checking , Visa, etc.)
- Loan must have at least 6 months of payment history
- Only one skip-a-pay per loan/per year
- May not be used on real estate, home equity loans and lines of credit, personal lines of credit and credit cards
